About the Trust :

Vidyamandir Trust, Palanpur, a prestigious institution with 75 years of legacy, is dedicated to providing value-oriented education from primary to post-graduate levels. Recognizing the impact of education on national character, the institution emphasizes empowering students with independence, decision-making skills, and civic responsibility. Valuing each child's uniqueness, Vidyamandir focuses on holistic development in a conducive environment, fostering academic pursuits, social engagement, and community work. From pre-primary to higher secondary schools, co-curricular activities, sports, and Mamta Mandir, the institution embodies its founders' vision of translating education into a tangible reality.

About the College :

Established in 2017, Smt. Savitaben Panalal Kothari College of Secondary Education stands as the first English Medium B. Ed. College in Banaskantha district affiliated to Hemchandracharya North Gujarat University, Patan, and recognized with NCTE and UGC approved. With a pressing need for qualified teachers in the face of over thirty English-medium schools in Palanpur and the surrounding areas, the college is bridging the gap. It has an intake of 55 trainees. Boasting fully equipped and well-qualified faculties, the institution is dedicated to fostering independent, explorative, and techno-oriented individuals through the teaching and learning process, contributing to the educational landscape.

About the Seminar :

The seminar serves as a dynamic platform for fostering intellectual discourse, promoting knowledge exchange, and facilitating collaboration among a diverse community of researchers, academicians, and professionals, centered around the theme of "Teacher Education in Viksit Bharat @2047: Perspectives and Approaches", It aims to provide a comprehensive understanding of the future prospects in teacher education. The seminar encompasses a multifaceted exploration of key areas critical to the evolution of educational practices under the Sustainable Development Goal, the seminar delves into sustainable pedagogies inspired by ancient practices and the preservation of pedagogical heritage through Indian classical languages. In the context of a Self-Reliant Bharat, the focus extends to fostering global perspectives in local educational initiatives and adapting to contemporary education trends. The exploration of the Indian Knowledge System involves revitalizing traditional wisdom, understanding the relevance of ancient educational practices, and experimenting with the ancient system in diverse educational landscapes. Inclusive education is addressed through themes promoting diversity, collaborative community participation, and equity analysis within the framework of NEP, 2020. The intersection of innovation and technology in education unfolds through discussions on technological evolution, ICT integration for inclusivity,

transformative approaches in AI for higher education, and the redefinition of conversational interfaces with ChatGPT. The seminar remains open to other relevant topics, inviting diverse discussions on emerging educational issues and innovations shaping the future of education.

○ THE KEY OBJECTIVES OF THE SEMINAR ARE :

• Facilitate a platform for diverse stakeholders to share information, ideas, and experiences, promoting a nuanced understanding of teacher education & future perspective.

• To explore themes such as inclusive education, Sustainable Development Goals (SDGs), Artificial Intelligence (AI), technology in education, educational policies, the Indian Knowledge System (IKS), and the ABC system within the context of Teacher Education in Viksit Bharat @2047 through future perspectives.

• To provide a platform to enhance their professional development by delving into innovative teaching, learning methods for future learners, integrating technology into educational settings, and adopting best practices aligned with the evolving policy framework in the realm of education.

○ CALL FOR PAPER : THEMES & SUB THEMES :
